

Join **Team Ride4Melanoma** as they compete in one of the world's toughest races, **The Race Across America!** In June of 2008 four local cyclists will race 3,000 non-stop miles from Oceanside, California to Annapolis, Maryland in an effort to raise \$90,000 dollars for the Children's Melanoma Prevention Foundation. Proceeds will be used to educate our children on how to be safe in the sun.

The incidence of Melanoma has been increasing faster than any other major form of cancer in the United States. **Don't wait!** Join the team by making a pledge, donation, or find out how to become a volunteer.
